

Chilli Challenges 11.2.21

Hot

Create a pictogram to show who was born in what season in your class.

Use what you know about pictograms to help you.

Here is an example.

			
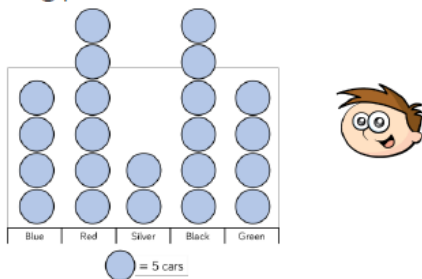

Spring	Summer	Autumn	Winter
			

Key

 = 2 children

Spicy

Teddy and Eva both draw a pictogram to show how many cars they counted driving past their school.

Colour	Number on cars
Blue	
Red	
Silver	
Black	
Green	

 = 10 cars

What is the same? What is different?
Whose pictogram do you prefer? Why?

Answers

Hot

Answers will vary to who and how many people you are using in your pictogram.

Spicy

Possible answer.
Same – both pictograms show the same information. Both easy to read. Both used circle. Both are in the same order.

Different – Eva counts in 10s, Teddy counts in 5s
Teddy's is vertical and Eva's is horizontal.
