

C'est quel un animal ?

Memory Match Game

Play this game in groups.

Instructions:

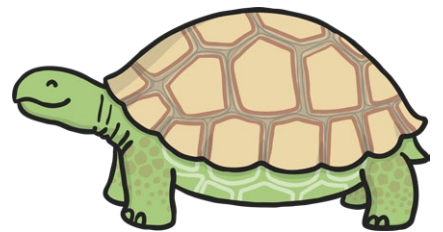

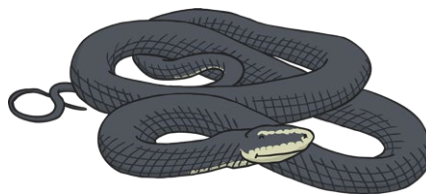

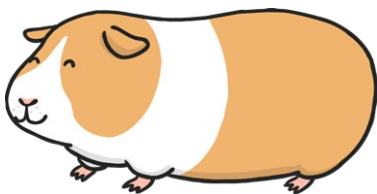

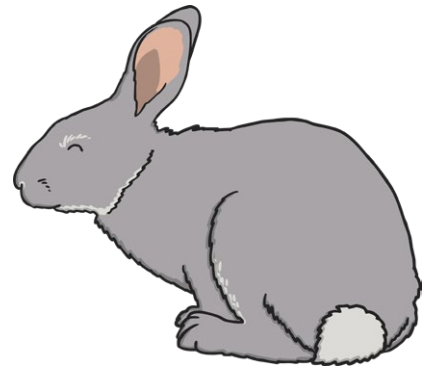

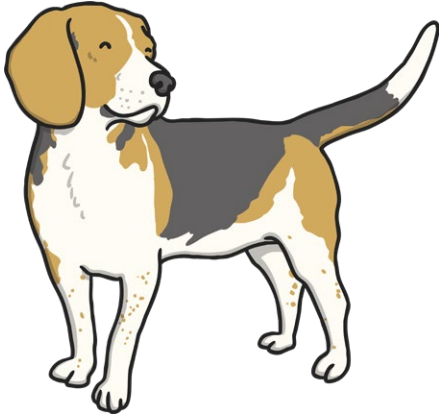

1. Cut up the picture and vocabulary cards.
2. Shuffle all the cards together.
3. Place them face down on your table.
4. Take turns to turn over two cards at a time – do they match? See who can find the most matching pairs!

Want to make it a little easier?

Work as a team to match the vocabulary and picture cards together first to remind yourself what each one says. Then shuffle and place them face down. Now you can begin the game!

Want to make it a bit more challenging?

For every card you turn over, tell the other players what it says. For example, if you turn over a picture of a rabbit, you say C'est un lapin. If you turn up the words une tortue, do the action for a tortoise!

un chien

un chat

un lapin

un poisson

un oiseau

une souris

un
cochon
d'inde

un serpent

une tortue
